PUBLIC NOTICE

Date: February 3, 2016

Subject: Proposed changes to the 2-hour parking zone on Main Street in Old Hilliard

A 2-hour parking zone for on-street parking is currently in effect on Main Street in the Old Hilliard District between the hours of 7:00 am – 6:00 pm daily. The limits of the current 2-hr parking zone are from North Street on the north to Franklin Street on the south.

With the opening of Hilliard's Station Park and new businesses moving into the District, the City of Hilliard proposes to extend the physical limits of the 2-hour parking zone to include all on-street parking on Main Street in Old Hilliard. The new limits of the 2-hour parking zone will be from the rear entrance to the Joint Safety Services Building on the north to Madison Street on the south. The effective hours will remain the same (7:00 am – 7:00 pm).

The purpose of the 2-hour parking zone is to provide turn-around in public on-street parking to support the local businesses by providing convenient parking for patrons and visitors to the Old Hilliard District. On-street parking on Main Street is not intended for all-day use by employees or residents of the District.

Public comment is being accepted on this proposed change through February 19, 2016. Comments on this proposed change should be provided in writing to Douglas Francis, Director of Communications, at connect@hilliardohio.gov or to the address below:
